

DECLARATION

I, the undersigned Bruno Axel Kamere,
student of the University of Economy in Bydgoszcz, declare that the following
Bachelor's/Engineering/ ~~Master's~~/ Thesis* entitled Cloud Managed Unmanned Aerial System

has been written on my own. It means that:

- 1) during writing the thesis I have not used any help from other people (apart from necessary the consultations conducted within the didactic process), mainly I have not commissioned writing the thesis or its part to other people and I have not rewritten it or its part from other people;
- 2) After the use of the literature and source materials I have mentioned the author, the title and the source according to the quotation rules.
- 3) The thesis and its fragments has not been used as the basis of other procedures aiming at conferring degrees and academic and professional titles;

I declare that I am aware that if my thesis infringes rights connected with copyright and diplomatic regulations, it may be invalidated by the University even after the degree examination.

I also declare that the media attached and the version in the Electronic System ISAPS contains all files connected with the following thesis, which have been used in a printed version.

I prove the authenticity of the above declaration with my handwrite signature
